**SUPPLEMENT TO REQUEST FOR REVIEW OF DECISIONS
OF THE UNIVERSAL SERVICE ADMINISTRATOR AND
PETITION FOR WAIVER**

The Dutchess County Board of Cooperative Educational Services (“DC BOCES”), on its own behalf and on behalf of other entities that participated in a consortium led by DC BOCES, respectfully submits this brief supplement clarifying its pending request for review and waiver.

In a July 12, 2006 filing, DC BOCES requested Commission review of certain decisions of the Universal Service Administrative Company (“USAC”) relating to funding year 2005.¹ In a July 8, 2010 order, the Commission addressed most of the issues raised by the DC BOCES Request, but stated that the letter-of-agency issues raised with respect to Form 471 application 463991 would be addressed in a subsequent order.²

In view of the Commission’s decision to address the letter-of-agency issues regarding Form 471 application 463991 in a future order, DC BOCES writes to briefly clarify the scope of its request as it pertains to the letter-of-agency issue. In its request, DC BOCES seeks reversal of

¹ See *Request for Review of Decisions of the Universal Service Administrator and Petition for Waiver of Dutchess County Board of Cooperative Educational Services (Poughkeepsie, New York)*, CC Docket No. 02-6 (Jul. 12, 2006)(“DC BOCES Request”).

² See *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Academy of Math and Science Tucson, AZ et al.*, CC Docket No. 02-6, FCC 10-122 (rel. July 8, 2010)(“Tucson Order”) at Appendix C.

USAC's decision not to process Form 471 application 463991 with respect to six listed funding request numbers ("FRNs") designating Ulster County BOCES as the applicant, beneficiary and billed entity.³ The remaining 36 FRNs included in Form 471 application 463991 are not covered in the DC BOCES Request and DC BOCES does not challenge USAC's analysis of the letter-of-agency issues pertaining to those 36 FRNs. Consistent with its desire that USAC only process the six FRNs associated with Form 471 application 463991 listed in the DC BOCES Request, DC BOCES has amended the relevant Form 471 application to cancel the 36 FRNs that are not subject to its request.

Should the Commission have any questions about this supplemental filing or the DC BOCES Request, it should not hesitate to contact us.

Respectfully submitted,

³ See DC BOCES Request at 9 and Appendix III. As noted in Appendix III, the six FRNs that DC BOCES would like USAC to process are 1310074, 1310095, 1310123, 1310150, 1310173 and 1310213. In the request, DC BOCES demonstrates compliance with any applicable letter-of-agency requirements pertaining to the six FRNs. See *id.* at Appendix IV.
